Dear Prep Parents,

We are pleased to offer our ‘Introduction to Music’ program this year for students in Prep to Year 2. The program will be held during school hours and will have a maximum of 5 children per class. Each class will run for half an hour once a week during school hours. The cost that includes all materials is $50/term (8 lessons/term) per student.

Students in the introduction to music course will begin fundamental foundations of music, which will be based around developing initial performance, composition and listening skills. They will experiment with untuned and tuned percussion instruments and work towards a basic understanding of beat, rhythm and pitch as well as some simple music theory.

Please get your registration in quickly along with full payment to our school office as classes will commence in week 2. Any questions, please do not hesitate to email Aaron Rodriquez at a.rodriquez@ecc.qld.edu.au.

Kind Regards,

Aaron Rodriquez
