What’s MOPS?
Welcome to Mothers of Preschoolers (MOPS) Australia.

MOPS gets Mums. We understand the unique needs, challenges and joys in this vital season of early mothering. At MOPS every mum is welcomed, accepted and challenged to reach her potential and recognise her influence with her family and her world. MOPS is a program of the local church where mums with young children (0-6 years) can come just as they are to make friends, enjoy time out from kids, have fun, and gain confidence in mothering. Children are lovingly cared for in the MOPPETS program.

Mission: MOPS Australia encourages, equips and develops mums of young children to realise their potential as mothers, women and leaders, in relationship with Jesus, and in partnership with the local church.

If your child would like to volunteer with MOPS. Please fill out and return the below permission form to the office by Tuesday 31 January.
