

Multicultural Harmony Day 2018

Dear Parents and Guardians,

On Wednesday, 21st of March (Week 9), our school will celebrate Harmony Day – a national event to promote inclusiveness, respect and belonging for everyone.

This year's theme is "*Everyone belongs*", and E.C.C. would like to hold a **Multicultural Harmony Day** showcasing the wonderful diversity of cultures and nationalities in our school and community.

Our Multicultural Harmony Day will be celebrated by K-6 and will involve all students dressing up in an international **costume** (free choice). A costume parade will be held from 9am. In addition, each class will do multicultural activities in their own classrooms up until morning tea. Parents are invited to spread themselves over their children's classrooms to join in the activities.

Parents may join their children for morning tea in the lunch area or join with other parents for a cuppa in the Activities Room.

Normal classes will resume after morning tea.

We warmly welcome parents and families to contribute to and attend this event.

Looking forward to a great morning.

Regards,

Mrs Lorraine Grierson
