Dear Parent/ Guardian

In Term 2, Years 5 and 6 students from Emerald Christian College will be participating in the Central Highlands "Readers' Cup" competition. We will be selecting two teams of 4 students plus one reserve from interested participants for the June competition.

The readers /entrants will be required to read 5 books over the term and answer relevant questions about each book. A reading club will be established in the library on a suitable day at lunch time to review and discuss the books.

Your child _____ has indicated an interest in participating in the Reading Club and Readers' Cup.

A small cost of \$3.50 will be required to assist with the setting up of the Reading Club.

As there is quite a commitment to the reading schedule and competition we would like parent consent for your child to participate and attend meetings within the library and the final competition in June. (More information to follow).
