• All books and resources supplied under the Hire Scheme remain the property of the college and are the sole responsibility of the student until these identical books are returned to the College Library. Books left in classrooms by personal choice or at the invitation of teachers, or those loaned to or borrowed from other students remain the responsibility of the student who originally accepted these issues and any loss or damage must be paid for by that student.

• The Emerald Christian College Textbook Hire Scheme comprises, at this stage, the Government Textbook Allowance of $123.00 per student in Years 7, 8, 9 and 10 and $266 per student in Years 11 & 12. There is no extra amount to be paid by the Parent/Caregiver.

**Conditions Governing Students Not Participating in the Hire Scheme**

Parents/Caregivers who do not wish to participate in the hire scheme should inform the college office.

These Parents/Caregivers will then receive a cheque from the college to the value of the allowance for each of their children. However, they are then expected to provide all necessary textbooks for their children as detailed on the lists that will be provided.
